While away at college in Florida, Joshua Evans, the son of NYPD Sergeant Lillian Leslie-Evans, fell ill and was rushed to the hospital where he underwent emergency surgery to repair bleeding on his brain. Joshua has since been diagnosed Arteriovenous Malformation (AVM) and is currently in a Florida hospital on life support.

In addition to the emotional stress and burden brought on by having a terminally ill child, Lilly has also incurred a devastating financial burden brought on by medical expenses as well as having to relocate her family to Florida to be with her sick child.

We are asking for donations in any amount to ease the catastrophic medical and travel expenses that have been placed on the Leslie-Evans family.
