Nassau County 6Th Precinct Police Officer needs assistance

Police Officer Michael Palazzo has been diagnosed with kidney failure and is in need of a kidney transplant. Mike has been under doctors' care receiving dialysis several times a week and is seeking a donor.

Anyone interested in being a possible donor must be of blood type A or O to get tested.

You can email Ed Conroy 6th Precinct Delegate at 5conroys@optonline.net , the following:

Name -

Address -

Phone Number -

Your information will be forwarded to the transplant coordinator, and a transplant questionnaire will be e-mailed to you for completion. From there if you are selected for further testing a blood test will be conducted at Winthrop hospital located in Mineola.
