

WE NEED YOUR HELP

It has never been harder to be a New York City police officer.

NYPD morale is at an all-time low.

Politicians and police brass have abandoned the cops in your neighborhood.

But it could get even worse...

A NYC Charter Revision Proposal on your ballot this November would radically expand the power & jurisdiction of the Civilian Complaint Review Board.

CCRB is a failed institution:

98% of complaints result in no finding of misconduct against the police officer, but every complaint hurts that officer's career.

We protect your family every day. Now more than ever, we need your support.
