

# This is what it's all about.

**Self-serving politicians** and **cynical pundits** think that New York City police officers are more worried about settling a contract than mourning our fallen brothers.

**Real New Yorkers know better.** You've stood with us. You've grieved with us. You'll work with us to protect our city and hold accountable all those who have stirred up hatred and violence against police officers.

# Thank you for your support.
