

New York City Mayor Bill de Blasio

is no “friend of labor.”

He claims to be a progressive “*friend of the working man.*”
Here’s what he’s actually doing:

- Offering city workers wages that don’t keep up with the cost of living — effectively a pay cut
- Demanding workers pay for those raises by sacrificing health care and pension benefits
- Continuing to pay NYC cops upwards of 30% less than other cops in the NYC area and around the country
- Stalling the police contract process while he flies around the country to play national politics
