

Dear First Responder,

I am currently helping heroes such as yourselves find new homes in Florida. As a relocation specialist, I'll coordinate with you while you sell your home and position to purchase a new home in the sunshine state. The timing of both is extremely important as dates become time sensitive once you find a property down here. If you are renting at the moment; the transition will be just as seamless.

When we close on your new home, I will donate \$250 to the New York Police and Fire Widows & Children's Benefit Fund. In addition, I'll offer you \$500 post closing which you may put towards a new washer, dryer, refrigerator, landscaping upgrades, etc. It's your money!

I look forward to working with you all.
Be safe. God Bless.
